

## **BACKGROUND + MISSION**

The Coastal Technical Assistance Center (CTAC) is a concept generated and funded through Louisiana Economic Development (LED) and the Coastal Protection and Restoration Authority (CPRA).

## **BACKGROUND + MISSION**

LED and CPRA identified an opportunity to assist Louisianabased, small businesses in obtaining contracts with entities involved in the restoration and recovery efforts of coastal Louisiana.

### **BACKGROUND + MISSION**

#### **PROGRAM + CENTER FOCUSES**

- To serve as a Technical Assistance Center to Louisiana businesses seeking opportunities in the Coastal Restoration and Recovery efforts of Louisiana.
- To assist businesses in obtaining contracts with prime contractors related to Coastal Restoration and Protection efforts for Louisiana.
- To provide opportunity to Louisiana-based businesses keeping coastal dollars in Louisiana while creating jobs.
- To provide training and assistance to businesses in preparation to be contractor and project ready relative to business organization, promotion, certification, permitting, insurances, etc.
