# B.I.G.

Bayou Industrial Group

## SCHOLARSHIP PROGRAM

Each year, Bayou Industrial Group awards scholarships for enrollment at **Nicholls State University** and **Fletcher Technical Community College** to graduating high school seniors in the Bayou Region. The B.I.G. scholarship fund is supported by contributions from members (individuals and companies/ organizations) with annual dues and other fundraising activities that are held throughout the year.

**\$187,475**  
*awarded/committed*

**131**  
*local students helped*  
since spring 1998

Program growth has been amazing despite the challenges faced by Bayou Region businesses and organizations in recent years. About 73% of total funds awarded/committed were announced in just the past 5 years (\$29,500 in 2019, \$24,000 in 2020, \$24,000 in 2021, \$20,000 in 2022, & \$39,000 in 2023 for a 5-year total of \$136,500).

We'd like to send a **B.I.G.** thanks to all of our members and other supporters who continue to grow our scholarship program!

*About Us* ➤ **HAPPY 50TH BIRTHDAY, BAYOU INDUSTRIAL GROUP!** ⚡

Founded in 1973, B.I.G. is the oldest industrial association in the region. B.I.G. has a strong history of supporting economic development, infrastructure, coastal restoration and protection, education, and public health and safety initiatives in our Bayou Region communities.

Visit [www.bayouindustrialgroup.com](http://www.bayouindustrialgroup.com) for more info about B.I.G. and our events.

We offer networking opportunities for business professionals plus many ways to stay informed and involved in your local community. Contact B.I.G.'s Executive Director Deanna Lafont at [info@bayouindustrialgroup.com](mailto:info@bayouindustrialgroup.com) or 985-688-4662 with any questions or to become a B.I.G. member.
